

LOVISA

Glendale, CA

717 SF Retail

When Lovisa, an Australian chain of jewelry stores, wanted to break into the U.S. market, they turned to Kamus + Keller for help.

Lovisa's mission is to bring brilliantly affordable, on-trend jewelry to the world, while delighting customers with a commitment to continually improve the Lovisa experience. Kamus + Keller's mission was to translate Lovisa's vision into a beautiful retail space.

INTERNATIONAL COLLABORATION

Because designs came from Australia, and materials from China, it was paramount for Kamus + Keller to review design criteria and material composition to establish rules and regulations. The client was educated on accessibility requirements, fire code regulations for finish materials, and the project was translated into CA code. Today, the new store shines with Lovisa's signature design!
